\*\* Please note: One Call Now is not meant to replace weather alerts issued by local weather authorities. You can, however, be notified of severe weather alerts through your local media outlets. One Call Now will only be activated when there is a real threat of eminent danger due to active weather conditions, other emergencies and public works updates. At no point will your number be shared or given out to the public or media.

I, \_\_\_\_\_, have supplied the above information to be included in the One Call  
(Please Print Name)

Now program. I have read and understand the above information. I have also been made aware I am free to opt out of the One Call Now program at any time at the end of each notification call.
